### **HOUSING GRANTS FOR TARGETED COMMUNITIES**

Due to changes in the application process for State and Federal housing grants, the Central Nebraska Housing Developers will apply for housing funds for “targeted communities” that display an interest in participating in the 2015 Housing Grant Application Cycle.

The Central Nebraska Housing Developers have brought over \$9 million in housing funds to the Central Nebraska region, and we want to continue that legacy through future housing grant program funds.

CNHD will again be applying for Owner-Occupied Housing Rehabilitation grant funds, as well as Down Payment Assistance grant funds this Spring, on behalf of our Central Nebraska region.

If your community is interested in participating in this year’s targeted housing grant program, please contact Judy Petersen by phone at [402-340-0106](tel:402-340-0106) or by email at [judy.petersen@cnedd.org](mailto:judy.petersen@cnedd.org), as soon as possible to learn more about this opportunity.
