### **Public Input Sought for Community Needs**

The Central Nebraska Economic Development District is seeking your help and public input regarding the community, business, housing and other economic development needs of your city, village, county and the Central Nebraska region. The Central Nebraska Economic Development District proudly serves the counties of: Blaine, Boyd, Brown, Cherry, Custer, Garfield, Greeley, Hamilton, Holt, Howard, Keya Paha, Loup, Merrick, Rock, Sherman, Valley and Wheeler.

An easy, 5-minute survey tool is available on our website at [www.cnedd.org](http://www.cnedd.org) which enables the public and community leaders to identify your community or county's needs, and share potential projects that could be implemented with additional assistance and resources.

To access the 5-minute survey, visit our website at [www.cnedd.org](http://www.cnedd.org) and click the "2014 Needs Survey" button on the bottom left column of the website.

Survey results will be used to develop programs and services that improve the sustainability of communities and move projects into development and reality for our Central Nebraska region. Thank you in advance for providing this valuable information for Central Nebraskans.
