

Business Opportunity

Shamrock Nursery, O'Neill, Nebraska

Shamrock Nursery in O'Neill, Nebraska wants to downsize their operation. We have an immediate opportunity, as well as a future opportunity for interested entrepreneurs:

Immediate Opportunity: Landscape, Landscape Maintenance and Woody Plant Sales Division—This is a great opportunity for someone to take over the landscape, landscape maintenance, and woody plant sales division of our business. Shamrock Nursery has built a large clientele over the last 32 years. This opportunity will allow the right person to take advantage of our large customer base, all referrals, and years of experience. You would also be able to use Shamrock Nursery's buying Coop to purchase green and hard goods with attractive discounts. This is a Golden Opportunity in a GREAT community.

Future Opportunity: Garden Center and Greenhouse—This is an opportunity for a party that desires their own business. Work and learn with the opportunity to take over in the future. Shamrock Nursery is one of Nebraska's Finest Retail Garden Center and Greenhouse growing operations. Required hard work, but is a rewarding occupation in a GREAT community.

Business Education and Loan Opportunities
