# JANUARY 2019 NEWSLETTER

From all of us at CNEDD, we hope you had a Merry Christmas and are having a wonderful New Year! 2019 is going to be a productive and awesome year here at CNEDD! We have big plans for the future, but right now, we want to reflect on what happened this past year.

2018 was one of our biggest years yet. We exceeded our previous grant amounts awarded. We helped out quite a few of our communities and are looking forward to what this year will bring! Check our socials for more specific details coming soon!

## New Website

Another big announcement for this year, is our new website! This has been in the works for quite a while now, and we are so happy to announce that it is finished! The new website has a fresh, updated look, that is easy to get around, and still brings you all the information you may need. Check it out at [www.cnedd.org](http://www.cnedd.org) and let us know what you think on our Facebook or Twitter pages!

## Business Training

We also plan to have the Business Plan Basics course going in the future. The last couple sessions went over very well.

"It's a well put together course and the instruction is wonderful!" – Cher Kowalski, The Frederick Hotel, Loup City, NE

"Good base starting point for an entrepreneur." – Jennifer Smydra, CPA Stuart, NE

Check out our website for more information!

## New Staff

You might see a new face around CNEDD's meetings and area. We would like to formally introduce our newest member, Deanna Tomjack. She is the new Community Development Assistant and will be focusing on connecting with the communities!
