The future starts today, not tomorrow. – Pope John Paul II

CNEDD Awarded \$383,350

The Central Nebraska Economic Development District has received an **award of \$383,350** from the Economic Development Administration's CARES Act funds. The Economic Development Administration is a division of the U.S. Department of Commerce. The purpose of these funds is to **help our region address economic impacts** due to the Coronavirus Pandemic and **build resiliency** for the future.

As part of our plan, CNEDD will **provide training to small businesses** about alternative marketing and sales opportunities, explore prospects for **expansion of local meat processing** opportunities that would create local jobs and support the **local livestock economy**, and determine **broadband** needs for businesses, **education and telehealth** that will enhance and expand opportunities in the region.

Stay tuned for more information, as we will be launching the programs and services just as quickly as we can.

Arcadia Celebrates New Duplex

Over 50 people attended Arcadia's open house on July 23rd, to celebrate the community's new rental duplex, which is located at 215 E. Bridge Street. What began as a dream in 2015 to address Arcadia's need for housing to attract families, culminated in a celebration for the community and those who were involved with the project. **"The dedication of Arcadia's leadership and housing committee was tremendous"**, said Judy Petersen, with the Central Nebraska Economic Development District. "We want to thank them for their hard work in expanding housing in the community. **Also, we want to thank the Nebraska Department of Economic Development** for their investment of grant dollars into the Arcadia duplex."

This spacious duplex features an open design including the living room, kitchen, dining area, 3 bedrooms, 2 baths, 1-stall garage, and a sprinkler system.

The duplex units are ready to be leased, by contacting the Arcadia Village Office.
