NOVEMBER 2020 NEWSLETTER

As November winds down, we wanted to take this moment to thank each and every one of our district members. From our amazing staff, dedicated board members, and our lovely residents, each of you make our job worth while. While this year has definitely been a challenge, it is important to

take this holiday season as a time to recharge and remember what truly matters. The end of the year is always busy, but hopefully it is still enjoyable and safe. Happy Thanksgiving everyone. We are so thankful for each and every one of you.

"Thankfulness is the Quickest Path to Joy." – Jefferson Bethke

Ewing USDA Community Facilities Program Projects

The Village of Ewing, with assistance from Central Nebraska Economic Development District, has accomplished two different projects through the USDA Community Facilities Program.

Ewing received a \$7,400 grant to purchase an E-citation system for use by the Chief of Police. The total project was \$9,939 including tablets, keyboard, bar code scanner, mobile printer, mounting hardware and software that allows the Chief of Police to create, print and electronically transmit citations into the Nebraska State Court Administrator's Office.

The second project was to purchase a Bobcat Skid Steer Loader with backhoe and bucket attachments. Ewing was awarded a \$50,000 grant and can now perform their own excavation projects, including clearing ditches and snow removal. The total project cost was \$67,000.
