INTRODUCTION

A comprehensive housing database and community housing profile was undertaken to identify the local housing situation and the consumers, institutional structure, public and private resources, and relevant public policies affecting housing. Members of the City of Atkinson partnered with the Central Nebraska Economic Development District (CNEDD) to gather this information with the help of the Joint Housing and Economic Development Initiative's Housing Study Lite Program.

The Housing Study Lite Program was developed by a committee of housing stakeholders across the State to aid communities in gathering housing information and identifying housing resources. It simplifies the process of conducting a housing needs assessment via a systematic methodology. The first step was the collection of federal and state data via the Internet. Next, CNEDD gathered local information using pre-designed surveys and assessments. This report is a collection of the information gathered, to be served as a final report and guide towards the next steps in addressing housing needs in the City of Atkinson.

By outlining current conditions and recent trends, the resulting Atkinson Housing Study Lite Profile and Needs Assessment is helpful in gaining information about needs and resources in the community. The report can now be used for the following purposes:

- Creating awareness of local housing and economic development conditions
- Establishing action plans for community housing development and promotion
- Documenting market feasibility to housing developers, lenders, and appraisers
- Making community-to-community comparisons of housing issues and needs
- Obtaining funding from federal, state, and other sources

EXECUTIVE SUMMARY

COMMUNITY PROFILE

The City of Atkinson is the second largest city in Holt County, offering a wide range of services including shopping, dining, manufacturing, medical, and so much more. With its own unique style and friendly small-town residents, it makes for a charming community to visit, live, and work!

Educational opportunities abound through the West Holt Public Schools, with an elementary school, junior high school, and high school, along with the St. Joseph's Catholic Elementary School. The school, and gymnasium, are handicap accessible, and they offer various special activities and services along with their multitude of educational programs.

Atkinson's workforce and shoppers come from citizens living throughout Holt and Boyd counties, and anyone else traveling along US Highway 20 or State Highway 11. Additionally, Atkinson's workforce lives in rural Holt County, as well as other communities surrounding Atkinson.

WORKFORCE DATA GATHERED

Housing is where jobs sleep at night, so it is vital to know the workforce needs and trends, in order to develop housing where employees live and raise their families.

Information about existing businesses in Atkinson, coupled with Holt County workforce trends can be found in Figure 53 on page 37 of this Study. Major employers in Atkinson include: West Holt Memorial Hospital, Good Samaritan Society/Prairie Winds, and Olson Industries.

DEMOGRAPHIC DATA AND HOUSING SURVEYS GATHERED

An assortment of data was collected from the U.S. Census (2023 American Community Survey) and the City of Atkinson Building Permits for 2019 - 2025, which can be found on page 20.

A summary of survey results and the housing assessment are included below, along with some opportunities for the City of Atkinson to consider in order to address its workforce housing needs.

HOUSEHOLD SURVEYS

A total of 44 questions were asked of the Atkinson households. Following you will find highlighted four (4) major questions and their responses. Graphs for each of the questions and their responses can be found beginning on page 22.

Housing problems identified:
- Not enough affordable houses for sale
- Not enough affordable rental units
- Too much poor quality housing
- Too much vacant/abandoned housing
- Not enough housing for the elderly
- Not enough subsidized/assisted housing

Does 30% or more of income go towards housing (rent/mortgage plus utilities)
- Yes (31%)
- No (69%)

Best way to build new homes to meet housing needs
- Build new homes on vacant land within the City (60%)
- Build new homes in existing, partially developed areas (33%)
- Build new homes in outlying areas (7%)

Persons/Organizations who should be responsible for addressing growth issues
- Community leaders (ranked #1)
- Elected Officials (ranked #2)
- Builders/Developers (ranked #3)
- Homebuyers (ranked #4)

RENTAL PROPERTY OWNER SURVEY

A total of 13 questions were asked of each of the Atkinson landlords. Following you will find highlighted two (2) major questions and their responses. Graphs for each of the questions and their responses can be found beginning on page 33.

Range of monthly rents charged
- Less Than $400/month (0%)
- $400-$499/month (0%)
- $500-$599/month (50%)
- $600-$699/month (50%)
- Over $700/month (0%)

Difficulty in finding tenants
- Very Difficult (0%)
- Somewhat Difficult (20%)
- Neither Difficult nor Easy (0%)
- Not Difficult at All (80%)

EMPLOYER SURVEY

A total of 11 questions were asked of the Atkinson employers. Following you will find highlighted three (3) major questions and their responses. Graphs for each of the questions and their responses can be found beginning on page 33.

Current unfilled positions in Atkinson
- 8 Full-Time Positions
- 8 Part-Time Positions

Number of employees who commute over 40 miles to work
- 5 entry level
- 4 mid-level management
- 4 upper management

Issues employer faces
- Employee turnover (63%)
- High training costs (45%)
- Worker inefficiencies from long commutes to work (44%)
- Employee recruitment (26%)
- Lack of skilled workforce (25%)

EMPLOYEE SURVEY

A total of 17 questions were asked of the Atkinson employees. Following you will find highlighted three (3) major questions and their responses. Graphs for each of the questions and their responses can be found beginning on page 35.

How many miles do you live from your workplace
- Less than 10 miles (70%)
- 10-19 miles (22%)
- 20 miles or more (8%)

If housing was available, would you move to Atkinson
- Yes (59%)
- No (41%)

If moving to Atkinson, would you prefer to buy or rent your home
- Buy (76%)
- Rent (24%)

HOUSING ASSESSMENT

All housing units located within the municipal boundaries of the City of Atkinson were assessed using the following criteria – Excellent, Satisfactory, Major Wear, Dilapidated – and were entered into GIS software, which enabled the planners to map the locations of these properties throughout the City. The purpose of this mapping was to identify which properties were in need of major repair or demolition, to accommodate future housing construction opportunities.

In addition, housing assessors also mapped vacant lots and identified whether those lots appeared to be occupied or not, and what type of housing the vacant lot could accommodate should new construction be considered. Property values included on the map do not include any land values, to ensure all structures are being judged equally across the City.

It is important to note that all housing structures were judged by their condition, and not by the age of the structure. Residential assessments were made primarily on the housing structure itself, and not any garages or outbuildings, unless the garage was attached to the house.

Figure 1 (page 16) portrays all properties that were being used for housing or were located within residential areas of the City. Vacant lots are identified on this map in the pink-shaded areas.

Figure 2 (page 17) portrays all properties that were assessed as Excellent or Satisfactory. Definitions are as follows:

> Excellent – Home is in excellent condition, has solid roof, foundation, and contributes positively to community's housing stock.
>
> Satisfactory – Home is in satisfactory condition, is structurally sound, but may need minor repairs such as new shingles, paint, concrete steps, or doors that need replacing; does not detract from the neighborhood, but does have deferred maintenance issues.

Excellent/Satisfactory Residential Properties – These assessed properties were found throughout the City, with a majority of the Excellent residential properties scattered throughout the City of Atkinson. For Satisfactory housing units, the repairs needed were identified and included: Exterior Paint, Siding, Roof/Shingles, Porch, Door Replacement, Window Replacement, Garage Door, Gutters, and Foundation.

Figure 3 (page 18) portrays all properties that were assessed as Major Wear or Dilapidated. Definitions are as follows:

> Major Wear – Home typically has substantial wear such as a sagging roof, missing or rotted siding, rotting windows, and a sagging porch; appears "tired" and gives negative impression of neighborhood.
>
> Dilapidated – Home is an overall unsatisfactory condition, with a crumbling foundation, windows and doors that are broken or rotted, or sagging roof, has extended its life beyond normal expectancy and is a safety/health hazard.

Major Wear/Dilapidated Properties – For the most part, the majority of housing units that were identified as Major Wear or Dilapidated are scattered throughout Atkinson.

FUTURE REDEVELOPMENT OPPORTUNITIES

According to the Nebraska Bankers Association's NEXTGeneration Housing Task Force, a community should construct new housing units at a rate of 1% of the community's total housing stock per year, to keep up with housing demands, as well as replace worn out and dilapidated housing. For the City of Atkinson this translates into approximately 6 new housing units per year.

The most economical way for a community to create workforce housing is to identify areas of potential growth for all workforce needs, which range from lower income to market rate housing. Survey results from employer, employee, and household studies reveal the following recommendations:

- Build new homes on vacant land within the City.
- Build new homes in existing, partially developed areas

Given that there are known housing units categorized as Major Wear and Dilapidated that exist throughout the City of Atkinson, this poses a great opportunity for the City to consider a program of acquisition, demolition, and redevelopment of housing to meet Atkinson's current and future workforce housing needs.

The City of Atkinson may want to consider creating a Housing Committee whose purpose is to develop a Housing Strategic Plan that prioritizes housing needs and identifies potential funding resources to enhance housing opportunities that address its citizens and workforce housing needs.

OTHER HOUSING NEEDS

The Household Survey also included questions asking homeowners and renters to judge the age and condition of their housing units, to identify needs to be addressed for housing other than new construction.

There are grant programs available through the Nebraska Department of Economic Development that the City could apply for to assist homeowners and home buyers with the following needs:

If Your Dwelling Is in Need of Repair, Please Check Why

- Bathroom Improvements (33.33%)
- Window Replacement/Repairs (33.33%)
- Exterior Painting (26.67%)
- Door Replacements/Repairs (24.44%)
- Porch Repair (23.33%)
- Insulation/Weatherization (20.00%)
- Foundation Repair (18.89%)
- Heating & Cooling Systems (17.78%)
- Floor Repairs/Finishes (14.44%)
- Wall & Ceiling Finishes (12.22%)
- New Roof/Shingles (12.22%)
- Electrical System (8.89%)
- Water Heater (3.33%)
- Plumbing (2.22%)

Would You Be Willing to Apply for Cost-Sharing Assistance to Rehabilitate Your Home?
- Yes (43%)
- No (57%)

Have You Experienced Any of the Following Difficulties in Housing Yourself or Your Family?
- Shortage of Affordable Housing Units (tied for #1 and #2)
- Homes are of poor quality or are too small (tied for #1 and #2)
- Not Enough Money for Down Payment (ranked #3)
- Can't Qualify for a Mortgage (tied for #4 and #5)
- Trouble Qualifying for Home Financing Because of Credit Rating (tied for #4 and #5)
- Lack of Information about Home Buying Processes (ranked #6)

Do You Pay More Than 30% of Your Income Towards Housing (including utilities)?
- Yes (31%)
- No (69%)

If the Lack of a Down payment is a Barrier to Owning a Home, Would You Be Interested in Down Payment Assistance?
- Yes (82%)
- No (18%)

DEMOGRAPHIC PROFILE

The 2023 American Community Survey (Census.Gov) reports the following housing demographics for the City of Atkinson. It is important to note the following provisions regarding the reporting of Census data:

Data are based on a sample and are subject to sampling variability. The degree of uncertainty for an estimate arising from sampling variability is represented by a margin of error. The value shown here is the 90 percent margin of error. The margin of error can be interpreted roughly as providing a 90 percent probability that the interval defined by the estimate minus the margin of error and the estimate plus the margin of error (the lower and the upper confidence bounds) contains the true value. In addition to sampling variability, the ACS estimates are subject to nonsampling error (for a discussion of nonsampling variability, see (Accuracy of the Data). The effect of nonsampling error is not represented in these table.

POPULATION, SEX, and AGE (2023 American Community Survey, Estimates)

Total Population	**1,433**
Males	716
Females	717

Years of Age	2019 Estimated American Community Survey	% of Total Population	2023 Estimated American Community Survey	% of Population	Difference from 2019 to Estimated 2023	% Change

WORKFORCE INFORMATION AND TRENDS

EMPLOYMENT

The City of Atkinson is home to roughly 217 businesses and employers. While retail and services lead Atkinson's industries, the Chamber of Commerce includes the following:

Construction	12	Manufacturing/Industrial	5
Sanitation	1	Media	1
Auto	9	Lodging	3
Education	2	Recreation	5
Financial Services	7	Restaurants	5
Government	1	Services	20
Health	8	Ag Services & Farming	18
Retail	20		

There is no lack of variety offered throughout Atkinson businesses, from novelty and Christmas shops, to fine dining, and everything in-between. All these industries play a big part in contributing to Atkinson's economy. You can find a great source of retail, services, and construction services located within the City of Atkinson. Every need can be met without having to leave city limits.

According to the Atkinson City Office, the major employers in Atkinson include:

West Holt Memorial Hospital -	88 employees
Good Samaritan Society/Prairie Winds -	75 employees
Olson Industries -	66 employees

A Workforce Trends Report was generated by the Nebraska Department of Labor for Holt County (see figure 53, page 37), as this information is not available specifically for the City of Atkinson. The Holt County Workforce Trends Report for 2025 shows that the industries with the largest number of employees in Holt County include:

Retail Trade	570 employees
Wholesale Trade	409 employees
Agriculture, Forestry, Fishing & Hunting	408 employees
Public Administration	313 employees

HOUSING ASSESSMENT

All housing units located within the municipal boundaries of the City of Atkinson were assessed using the following criteria – Excellent, Satisfactory, Major Wear, Dilapidated – and were entered into GIS software, which enabled the planners to map the locations of these properties throughout the City.

The purpose of this mapping was to identify which properties were in need of major repair or demolition, to accommodate future housing construction opportunities. In addition, housing assessors also mapped vacant lots and identified whether those lots appeared to be occupied or not, and what type of housing the vacant lot could accommodate should new construction be considered.

It is important to note that all housing structures were judged by their condition, and not by the age of the structure. Residential assessments were made primarily on the housing structure itself, and not any garages or outbuildings, unless the garage was attached to the house.

Figure 1 portrays all properties that were being used for housing or were located within residential areas of the City. Vacant lots are identified on this map in the pink-shaded areas.

Figure 2 portrays all properties that were assessed as Excellent or Satisfactory. Definitions are as follows:

Excellent – Home is in excellent condition, has solid roof, foundation, and contributes positively to community's housing stock.

Satisfactory – Home is in satisfactory condition, is structurally sound, but may need minor repairs such as new shingles, paint, concrete steps, or doors that need replacing; does not detract from the neighborhood, but does have deferred maintenance issues.

Excellent/Satisfactory Residential Properties – These assessed properties were found throughout the City, with a majority of the Excellent residential properties scattered throughout the City of Atkinson. For Satisfactory housing units, the repairs needed were identified and included: Exterior Paint, Siding, Roof/Shingles, Porch, Door Replacement, Window Replacement, Garage Door, Gutters, and Foundation.

Figure 3 portrays all properties that were assessed as Major Wear or Dilapidated. Definitions are as follows:

Major Wear – Home typically has substantial wear such as a sagging roof, missing or rotted siding, rotting windows, and a sagging porch; appears "tired" and gives negative impression of neighborhood.

Dilapidated – Home is an overall unsatisfactory condition, with a crumbling foundation, windows and doors that are broken or rotted, or sagging roof, has extended its life beyond normal expectancy and is a safety/health hazard.

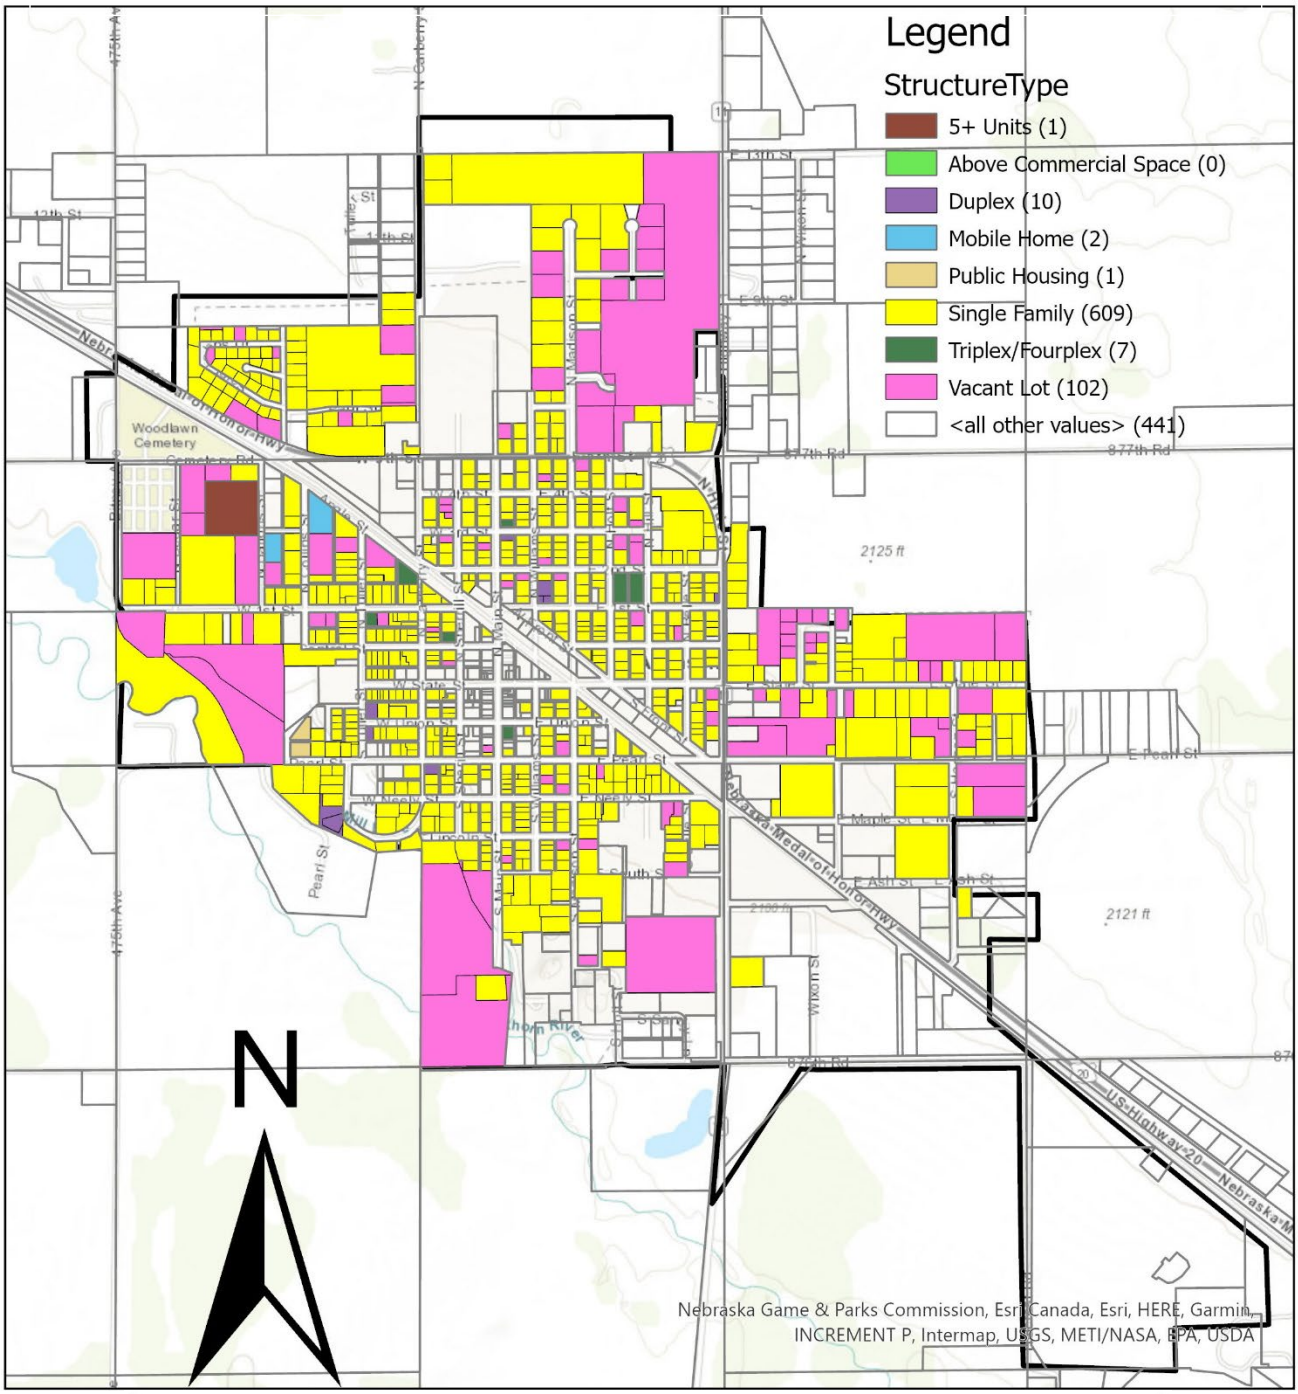

Major Wear/Dilapidated Properties – For the most part, the housing units that were identified as Major Wear or Dilapidated are scattered properties all about the City of Atkinson with only a few more Major Wear than Dilapidated.

Figure 4 portrays Vacant Lots throughout the area, with some vacant lots potentially having small outbuildings.

HOUSING CONSTRUCTION/REHABILITATION PERMITS SINCE 2019

The following Housing Construction/Rehabilitation Permit information was received from the City of Atkinson.

Year	Single-Family Units	Multi-Family Units	Single-Family Additions
2019	5	1	10
2020	6	-	11
2021	1	-	11
2022	3	-	6
2023	1	-	2
2024	2	-	4
2025	4	-	3
Total Units	22	1	47

There is no industry standard that is known regarding the number of new housing units that should be built in a community per year; however, the Nebraska Banker Association's NextGeneration Housing Workforce Task Force is utilizing a figure of one percent (1%) of a community's total housing stock as a healthy new unit construction goal to address the need for new housing while, at the same time, dilapidated housing is being demolished. Another housing committee in the state, the JHEDI Group (Joint Housing and Economic Development Initiative) is now sharing this 1% figure as they work with communities in enhancing housing opportunities.

By taking the total number of housing units in Atkinson (619 per 2023 American Community Survey Census data), times 1%, you arrive a total of at least 6 new housing units per year as the proposed number of housing units to be built each year in Atkinson.

HOUSING ON MARKET FOR SALE

A point-in-time count of the number of houses for sale in Atkinson, Nebraska, was taken on September 15, 2025. The planner visited the following realtor websites to generate a listing of residential properties for sale, including: Stracke Land & Realty, Waldo Realty, Zillow.com, and Realtor.com.

As of September 15, 2025, there were 5 residential Atkinson properties listed for sale within city limits. This figure includes any residential properties that were for sale by owner.

Following is a breakdown of the number of houses for sale on September 15, 2025, by purchase price:

Housing Price Range	Number of Houses Listed
$0 to $50,000	0
$50,001 to $100,000	1
$100,001 to $150,000	1
$150,001 to $200,000	1
$200,000 and above	2
Totals	5

HOUSING SURVEY OF INDIVIDUAL HOUSEHOLDS IN THE CITY OF ATKINSON

Understanding the housing needs of the public and individuals living in the City of Atkinson is a vital component to developing a plan to enhance housing opportunities within the municipal boundaries of the City.

Below you will find survey results for each of the questions responded to.
