Valentine Continuing Workforce Housing Expansion

The single-family homes are scheduled to be completed around early **February 2022** thanks to **B Squared Fine Homes, LLC.**

Valentine is continuing their workforce housing expansion efforts by adding **TWO new single-family homes** that will be for sale following their completion.

Construction loan funds have been granted for these new homes, utilizing Nebraska Rural Workforce Housing, Nebraska Investment Finance Authority, and Valentine LB840 funds.

Through the City's continued partnership with the Central Nebraska Housing and Economic Developers (CNHED), Valentine has addressed and greatly improved their housing availability.

“We have seen how the housing crisis affects communities, which is why increasing and improving housing is one of our top priorities. Valentine has done an exemplary job in working to meet the needs of their community.” – Judy Petersen, Executive Director.

Keep an eye out for more photos to come and to follow along the housing journey throughout the District.
