DECEMBER 2021 NEWSLETTER

2021 has been, simultaneously, a very short and very long year. It was great to finally get to go out to the communities again, though there were still precautions that needed to take place. We were able to accomplish many different projects and continue in our dedication to helping your communities grow.

The next year is sure to bring its own unique challenges, but rest assured knowing we will be here to help your community navigate and thrive throughout 2022.

Have a very Merry Christmas and Happy New Year to all our counties and communities! See you in 2022!

Lynch Rebuilding Following 2019 Flooding

December 6th was a fantastic day for **Lynch** as a ribbon cutting was held, celebrating the addition of **TWO, new, single-family homes**. Both will be available for rent in the following months.

We all remember how devastating the floods of 2019 were, and for Lynch, rebuilding has been an ongoing process. These homes are just a small part of their continued efforts!

Senator Tim Gragert commended the people of Lynch for how they worked together, both during the initial flooding by getting everyone to safety and taking in neighbors when they had nowhere else to go, as well as now during the continued rebuilding efforts.

Lt. Governor Mike Foley praised the Village of Lynch for all their hard work, commenting on the **"first-class"** stature of the new homes. He also awed at the response following the flood, noting how many were eager and willing to help out the community - **"Nebraskans looking out for fellow Nebraskans, that's the way we do it here at home."**

We could not be prouder of the Village of Lynch. You have put forth so much effort, and we are happy to be a part of your continued growth and rebuilding.

Happy Holidays from all of us at CNEDD!

Judy, Tish, Deanna, Carla, Makala, Collyer, Amber
